Committee members talked within themselves about hiring a lawyer. The committee voted unanimously to hire Dan Brown of Brown Law Office LLC to be the committee's legal counsel. It was decided that the committee present information to the city commission for hiring of a lawyer.

It was asked to all committee members that we use google documents to write reports as well as any needed written correspondence.

Need to set up an outline in showing how the committee went about doing the investigation. This will be used to put a final report together in the conclusion of the committee.

The committee will continue to talk with any person who wishes to be heard in public or private.

Open for public comment

Heard from a citizen about concerns they have with the burning that took place.

Questions were asked to the person by the committee as well as questions being allowed by citizens.

Final comments by the committee and the next meeting will be held July 18th at the Fort Piqua Plaza.

Minutes recorded here on July 15th by Jim Roth.
